

ALEX RIVERA

Senior Python & Cloud Systems Engineer

alex.rivera@example.com | (555) 234-5678 | San Francisco, CA | github.com/alexrivera

PROFESSIONAL SUMMARY

Senior Software Engineer with 6 years of experience building high-scale distributed backend systems, REST APIs, and cloud services in Python and Go. Proven track record of architecting microservices that handle millions of daily transactions with 99.99% uptime, optimizing database latency, and driving TDD best practices.

TECHNICAL SKILLS

Languages:	Python, Go, SQL, Bash, TypeScript
Frameworks & Tools:	FastAPI, Django, Flask, Pytest, Celery
Cloud & DevOps:	AWS (EC2, S3, RDS, Lambda, EKS), Docker, Kubernetes, Terraform, GitHub Actions, CI/CD
Databases & Storage:	PostgreSQL, Redis, MySQL, MongoDB, Elasticsearch
Architecture & Practices:	Microservices, REST API, System Design, Test-Driven Development (TDD), Agile

WORK EXPERIENCE

Senior Backend Engineer | CloudScale Tech

2022 - Present

- Architected and deployed 8 asynchronous microservices using FastAPI and Docker, handling 15,000 requests per second with sub-40ms latency.
- Optimized PostgreSQL query performance and designed Redis caching layer, decreasing database load by 45% and saving \$3,200 monthly in cloud costs.
- Spearheaded migration of legacy monolithic workloads to Kubernetes on AWS EKS, improving deployment frequency from bi-weekly to multiple times daily.
- Established CI/CD automation with GitHub Actions and Pytest, boosting automated test coverage from 62% to 94%.
- Mentored 4 junior engineers on distributed systems architecture, design patterns, and rigorous code review practices.

Backend Software Engineer | DataStream Labs

2019 - 2022

- Engineered RESTful APIs in Python and Django serving over 1.2M active monthly users.
- Designed automated ETL data processing pipelines that ingested and normalized 20M+ records daily into PostgreSQL.
- Automated deployment and staging environments using Docker, Terraform, and AWS EC2.

EDUCATION

Bachelor of Science in Computer Science

2015 - 2019

University of California, Berkeley
